The Process

You ask for staff to be hired.

Staff is hired by us, by the end of the following month.
If required, it is trained by us, to your standards and requirements.
At the end of training, it is a fully ingrained asset of your remote studio, here with HU.

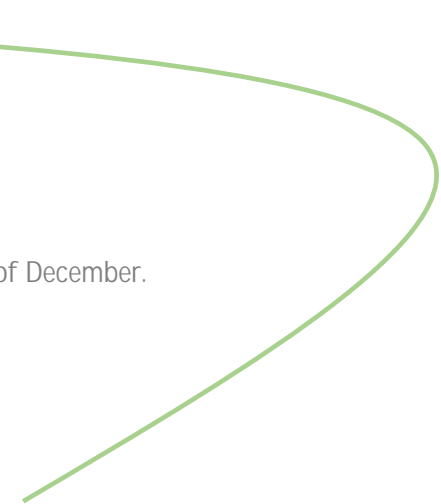

You asked staff to be reduced.

It is reduced at a 2+ months notice.
Example. You request a reduction anytime in October and staff will be off your list end of December.

Minimum staff contract is 6 months.

This is a market requirement, staff demand a minimum contract for 6 months, if, we deem them successful at the end of their probation period of 1 month.

...EVERYTHING in between is managed by us.
